Sir,

I have the honor to submit herewith an estimate for Rs.800 prepared by the Executive Engineer Mysore Division and received from the Deputy Commissioner Mysore District for repairing the - mantapam and bathing Ghat on the Devambudy Tank bund at Varuna Mysore Taluk and to state as follows.

The estimate for the work was prepared by the P.W.D on the requisition of the Amildar and submitted to the Deputy Commissioner for sanction the cost being proposed to be met from the Irrigation cess fund. The Deputy Commissioner having found this not to be a legitimate charge on that fund, asked the Amildar -- to report if the cost could not be met from any of the local -- Muzrai institutions. The Mahadeveswara temple at Varuna ----- having now limited funds the Amildar suggested that the cost -- might be met from the chattram savings fund as the local chattram had been abolished and the sale proceeds of the buildings had been credited to this fund. The Deputy Commissioner recommends that as the mantap in question is serving the purposes of a chattram partly as it is situated on the tank bund on which the road ---- passes and travellers halt in the mantap for some time. In the circumstances the cost of the estimate may be met from the ----- chattram savings fund. I request that in the circumstances -- explained by the Deputy Commissioner, the estimate may be ad- sanctioned, the cost being met as proposed. The balance of

[illegible] credit of this fund was Rs.6153-1-0 on 6th May 1937.

[illegible] the same from which the cost is proposed to be met [illegible] Works, Establishment, Tools and Plant Charges [illegible] Rs.74,- [illegible] estimate will on [illegible] Establishment Rs.720,- only -- [illegible] cost is taken.

"I have the honor to state that an estimate for Rs.300/- with plan and report for repairing the Mantapam and bathing ghat situated on Devambadi tank bund at Varuna village, Mysore Taluk, was received from the Executive Engineer, Mysore Division, proposing the cost to be met from the irrigation cess fund budget. As the work was not a proper charge on the irrigation cess fund budget, the ~~xxx~~ estimate was referred to the Amildar, Mysore Taluk, for report as to whether the cost could not be met from the funds of any of the local Muzrai Institutions.

The Amildar, Mysore Taluk, has now reported that the funds available at the credit of the Sri Mahadeveswara Temple at Varuna is very limited, and that as the Annachattram at the place has been abolished and recently sold by auction the realisations being credited to the "Chattram Savings Fund" the cost of the present estimate might be met out from the said chattram Savings Fund.

As the mantap is now serving the purposes of a chattram
